Summary

Computer Science Engineering student with strong foundations in full-stack development, having built real-world applications using ASP.NET Core, React, and MySQL. Experienced in authentication systems, role-based access control, and responsive UI design. Eager to contribute to impactful software projects and grow as a developer.

Projects

Management System

Developed a **full-stack Employee Management System** using ASP.NET Core MVC, designed to streamline and automate employee data handling within an organization. The system enables HR/admin users to efficiently **manage employee records, track activities, assign roles, and oversee department-level operations** through an intuitive web interface.

E-commerce

Built a fully responsive **frontend E-commerce website** using HTML, CSS, and vanilla JavaScript, designed to showcase products and simulate a complete online shopping experience. The website includes a modern UI with interactive components that allow users to **browse products, view product details, add items to the cart, and manage cart quantities**.

Campus-Connect

Campus Connect is an interactive campus management and communication platform built using React.js. It aims to digitalize campus engagement by combining official campus management with a student-driven social space. It encourages communication, collaboration, and community building—similar to a private Reddit specifically for a college or university.

Certificates

INTERNSHIP in SHLOKLABS — | Completed an internship where I developed an Employee Management System using ASP.NET Core, implementing authentication, role-based access control, and contributing to UI design and backend integration.

Skills & Tools

Languages

Python , C/C++/C# ,Java ,JavaScript

Database management

MySQL , MongoDB

Tools & Platforms

VScode , Visual Studio , Git/GitHub

Web Development

Html , CSS , JS, node JS , react JS ,express JS , ASP.net core

UI Design

Figma

Education

2023 – 2027
Coimbatore,India

B.Tech Computer Science and Engineering
Amrita Vishwa Vidyapeetham
CGPA : 7.19
